

Cargo Ship Voyages

Voyage Brochure

September 2017

Cargo Ship News

Thank you for your interest in Cargo Ship Voyages, this leaflet is a summary only of some of the voyages possible. Voyages are in high demand so flexibility and planning ahead is vital.

Trade routes, vessel deployments and schedules are updated and amended constantly so if you don't find what you are looking for please do contact us and we can check around the various ship owners for route possibilities!

There is increasing interest in travel by cargo vessel so if you are planning a voyage in the coming months please book early or you are highly likely to be disappointed!

In particular the transatlantic routes and line voyages to/from Europe & South Africa also to/from Asia and on to Australia and New Zealand book up many months ahead.

Kind regards

Colin Hetherington
Owner/Director

* Europe, Middle East & Africa

We offer a variety of voyages of varying duration from 3 day taster voyages from mainland Europe to Ireland, France or Germany, to the Mediterranean or twice monthly liner voyages to South Africa. It is possible to embark on certain voyages in Ireland and UK ports, but these are limited.

Many passengers try a shorter duration voyage first before committing to the longer and more expensive trips.

Featured Voyage

Antwerp - Cape Town, from EURO CAL

The Far East is well served by passenger services and many of our clients, in addition to their voyage, choose to include a tour of China and then return either by air or by another cargo ship. There are connections to/from Australia/NZ from China.

Please note that currently passenger embarkation/disembarkation at ports in India/Pakistan or the UAE is not permitted by local authorities.

✦ Australasia & Arctic

Amongst the most popular destinations are Australia and New Zealand. It is not currently possible to take a direct voyage from Europe to Australia or vice versa. There are connections via east coast USA ports and Panama Canal, also west coast ports onward to Australia and NZ. Similar connections are possible via Suez and Asia.
